From Our Partners

WHAT'S HAPPENING?

Congress is abandoning its promised Pell Grant expansion. **The Pell Grant is vital financial assistance that is awarded to low-income college students** by the federal government. This money is essential to the educational success of millions of students across the country. In the UC system alone, **over 78,000 students rely on the Pell Grant** to pursue their higher education.

DOUBLE THE PELL: SHARE YOUR STORY

How does financial aid help you? How would a \$500 financial aid increase benefit you in your academic journey?

We want to represent the needs of our campus community at UCSB, so we call on Congress to Double The Pell. Share your story using the following link, so we can amplify your voice!
