A.S. OFFICE OF THE CONTROLLER

APPLY TODAY!

BUSINESS ANALYST POSITIONS OPEN FOR WINTER/SPRING 2021
DEADLINE: JANUARY 15, 2021

Are you interested in consulting, finance, or venture capital? Then gain experience by working with the AS Office of the Controller this quarter! Former students who worked in the Office of the Controller have joined consulting firms (BCG, L.E.K. Consulting, advisory services of the Big Four), accounting firms (the Big Four), and more for internships and full-time jobs.

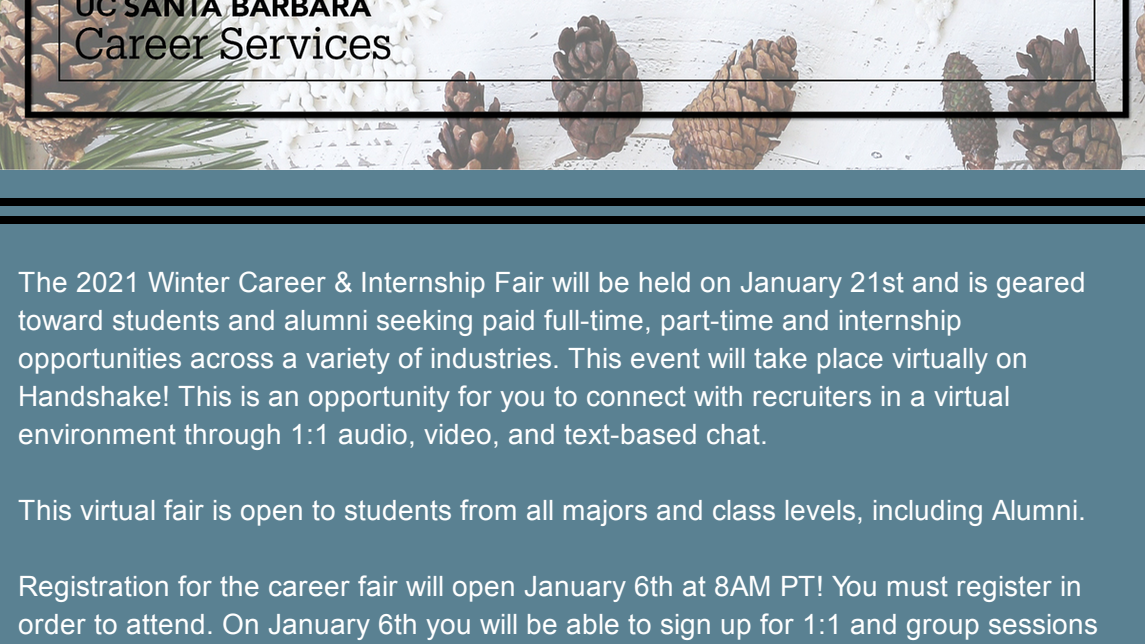

As a Business Analyst for The Office of the Controller you can work as a consultant for Associated Students, as well as a liaison between A.S. Business Managers, student employees, and Senate. The office also seeks proposals for other business enterprises or ventures and serves as the recommending body to the Senate for all proposals for future A.S. business enterprises.

Earn \$200 Stipend working as a Consulting Body for Associated Students!
 Applications are open now, deadline January 15th, so apply at <https://tinyurl.com/ascontroller>.

Winter Career & Internship Fair

Thursday, January 21, 2021
 11:00am - 4:00pm
 Virtual in Handshake

UC SANTA BARBARA Career Services

The 2021 Winter Career & Internship Fair will be held on January 21st and is geared toward students and alumni seeking paid full-time, part-time and internship opportunities across a variety of industries. This event will take place virtually on Handshake! This is an opportunity for you to connect with recruiters in a virtual environment through 1:1 audio, video, and text-based chat.

This virtual fair is open to students from all majors and class levels, including Alumni.

Registration for the career fair will open January 6th at 8AM PT! You must register in order to attend. On January 6th you will be able to sign up for 1:1 and group sessions with employers.

Get Involved with CALPIRG at UCSB!

This Winter we are working to tackle the biggest problem facing our generation - climate change. Coming off another record setting fire season, it's clear we need to take strong, swift action to reduce the impacts of climate change. That's why we are building support from students across the state to call on Governor Newsom to speed up our transition to 100% clean energy by 2030! At CALPIRG Students, we're working to gather over a thousand petitions here at UCSB, plan a clean energy summit, and work with key partners on campus and in our communities.

We're looking for people to join our effort as volunteers or take on remote internships with us! We have internship and volunteer opportunities on our 100% Renewable Energy campaign, working to decrease plastic pollution, decreasing hunger and homelessness on campuses, making textbooks more affordable, and banning fracking.
