Interested in having your voice heard?

Want input in how your student fees are spent? Take the AS Office of the Controller's Survey at <https://rb.gy/mhpyde> or scan the QR code in the poster below. The survey should take no more than 5 minutes! The primary objective of this survey is to get a better understanding of students' priorities, needs, and concerns with existing Associated Students units, as well as gain an understanding of potential new entities that students would like to propose. Your valuable feedback will be used to improve upon our current systems and potentially introduce new entities that can better serve the student population. [LINK HERE](#).
