Happy week 8, gaucho!

As we’re closing in on the end of the quarter, we understand that many students may feel tired, burnt out, or are otherwise struggling with their academics. We at EOP are always here for you, through counseling services or the study hours provided by our cultural resource centers. We hope you have been able to engage with self-care routines and study breaks, and wish you all the best of luck.

**Intro to Anti-Racism for APIDA Students: Building Solidarity**

Join us for the second reflection-based workshop in our anti-racism series, where we will explore topics such as the history of Asian American and Black solidarity and how this influences anti-racism work today.

**Thursday, February 25, 2021**

5:00pm - 6:30pm

Shoreline link to register: [http://cglink.me/2dD/r994516](http://cglink.me/2dD/r994516)

**CALPIRG Students Hunger & Homelessness Educational Panel**

Sign up now - virtual panel discussing efforts on campus to reduce student food insecurity.

This Thursday, February 25th, at 5pm join students and campus leaders to hear about efforts on campus to reduce student hunger at the CALPIRG Students Virtual Panel Event. Across the UCs, 40% of students will encounter food insecurity. No students should worry about where their next meal is coming from, so sign up now to hear more about the work being done to end student hunger on campus and have the opportunity to take virtual action. You'll hear from AS Senator Yuval Cohen and other leaders in the Santa Barbara community working on basic needs.

**Upcoming 2021 Winter Career Path Events**

- **Skills that Define High Performance Leaders**
  - 2/25 | 5:30-6:30 PM

- **Career Q&A Live: Domestic & International Service Opportunities**
  - 3/3 | 4-5 PM

Click the links above for more details and the Zoom link!

**Upcoming Peer Mentor Recruitment Deadline**

The Summer Institute in Mathematics and Science is looking to hire a peer mentor. Preference is given to those that have majors within a STEM field alongside mentoring and research experience. Please email your resume and cover letter by 3/1 to Emily Lopez at cnsi-sims@ucsb.edu.

**National College Health Assessment**

The NCHA is a survey designed to assess student health behaviors in order to provide better services and support for UCSB students. On February 18, 2021, all students received an email with a link to take the survey. We encourage you to complete the survey in one sitting, which typically takes about 20-30 minutes. All students who submit a survey will be automatically entered in a random drawing for one of fifty $75.00 gift certificates. Typically, 20% of the surveyed students participate, but if all 25,000 UCSB students participate, your chances of being the random drawing winner is 1 in 500 students.

**Career Opportunity: College Advisor**

The USC College Advising Corps recruits exceptional university graduates to serve two years as college advisers. If you are a recent college graduate with a bachelors degree you will qualify for any positions that come available. If you are a current college senior you may apply now and will be considered for the positions starting in July. While USC graduates are welcome, you do NOT have to be a graduate of USC. Click here for more information.

**UC LEADs**

UC LEADs is a 2-year UC-wide program for underrepresented students in STEM. We provide research funding, presentation opportunities, professional development, and summer research programs at 2 UC campuses. We are now recruiting for our 2021-2023 cohort.

Eligibility:
- 2nd year Undergraduate (Will graduate in 2023)
- Minimum 3.0 GPA
- Mathematics, Science, or Engineering Major
- Must want to participate in research in their discipline
- Graduate School in STEM must be in their future plans
